Strategic Plan

This strategic plan is the result of thoughtful synthesis and analysis of our existing practices underscored by our unwavering commitment to continuous improvement. Our strategic plan aims to enhance our students' experience by fostering a learning environment that prioritizes students' wellbeing, imparts knowledge and nurtures global citizenship skills. By implementing this plan, we commit ourselves to preparing the students for the challenges and opportunities of tomorrow.

1- Purpose and Direction

Fulfill our mission, vision, and core values.

- Actively involve the school community in reviewing and refining our mission, vision, and core values.
- Maintain the highest standards to ensure the effective implementation of these statements.

2- Global Citizenship

Develop students to become global citizens.

- Engage students in both curricular and co-curricular learning experiences to develop global citizenship and intercultural skills.
- Provide ongoing professional development opportunities for staff to adeptly integrate global citizenship and intercultural learning into the curriculum.

3- Teaching and Learning

Learning and assessment are standard based and aim to meet the diverse students' needs.

- Ensure that students' learning reflects high quality education.
- Enhance student reflection practices to improve awareness of their learning needs.

4- Students' Wellbeing

Establish and maintain a safe, healthy, and nurturing environment.

- Ensure alignment of child protection and related policies with local and international standards.
- Regularly review and update the existing wellbeing curriculum.

5- Physical Premises and Infrastructure

Improve the physical space to meet the students' learning needs.

- Renovate existing facilities to enhance both student learning and wellbeing.
- Continuously improve technology infrastructure to support students' evolving learning needs.
